SESSION INFORMATION

The 2021-2022 dance season is broken into 10, 4-week sessions. Dancers are automatically re-enrolled into their classes every session unless the studio is otherwise notified by the parent. Written notification of discontinuing a class must be given prior to the start date of the next session in order to avoid being charged for the upcoming session.

A parent must visit the main office to complete a class withdrawal form in order for a dancer to be removed from a class.

Full tuition is due on the Saturday prior to the upcoming session (see session dates below). All accounts past due after the new session begins will automatically be charged a \$20 late fee. Session 1 tuition will be due at the time of registration along with an **annual enrollment fee of \$30 per immediate family**. A \$25 fee will be charged for all returned checks. Please visit our website for tuition payment options.
